

Jiankou Great Wall Camping

Hike, Camp and Barbecue on the most adventurous Part of the Great Wall

The Jiankou section of the Great Wall is not only a photographer's paradise; it is also one of the wildest and most adventurous parts of the Wall. Away from the hustle and bustle of mass tourism, you will find an idyllic oasis of peace and wild romance. We will walk four hours on the Great Wall amidst breathtaking scenery, where you will meet few other travelers. Many great spots for taking pictures will reward you for the strenuous hike.

Either on a short overnight trip or a 2-day hike, we can organize you the most authentic and unique Great Wall experience.

The hike is tough at some parts, but no worries - our donkey "Pete" will help us carry the equipment. In the evening we will camp on the Great Wall and you will enjoy a simple but hearty meal, cold soft drinks and ... beer!

After breakfast the next morning, we will hike about 1.5 hours on the Wall towards the renovated and famous Mutianyu section of the Great Wall. After another half an hour on the new section, a delicious roast trout lunch awaits you.
